

Terminals

Blade Terminals

- Materials:
Conductor: Copper
Insulation: Vinyl
Plating: Tin
- Operating Temperature:
-10°C to +75°C
- Max. voltage rating: 600V
- Flared barrel for easy wire insertion
- Low insertion force and easy crimping whilst ensuring secure termination

Max. Current Rating	
Red	19A
Blue	27A
Yellow	48A

Material ① Copper ② Tin ③ Vinyl
