Wired doorbell ? White

Simple, reliable and hassle-free, the Honeywell Home DW311S wired doorbell is everything you're looking for, and more. It's ready to work out of the box, and you can wire it to your existing push button in minutes. And with an audible range of up to 60m, you know you'll never miss a visitor again.

60m | MAX 80dB | X4

Pack Contents:

1 x Wired Doorbell,1 x Quick Start Guide, 1 x Safety & Guarantee,1 x Declaration of Conformity,

Key Features and Benefits:

Never miss a visitor or delivery - Wire your existing push button to your wired doorbell, and you'll never miss a visitor again, thanks to a loud volume of 80dB that can be heard up to 60m away.

Peace of mind - For added peace of mind, use a DCP917S wired to wireless converter kit to interconnect your doorbell with Honeywell security accessories and Home Alarm Kits to build your own bespoke home alert and alarm system.

Revolutionary design - Compact and beautifully designed in a harmonising palette of white and grey, our doorbells are designed with your home in mind.

Reliability and Quality - Enjoy an extended battery life of up to 2 years, supported by our 2 year product quality guarantee.
