

WMPB2/28

**Twin 28mm Deep Moulded Box**

**Technical Features**

**Dimensions**

|            |                   |
|------------|-------------------|
| Dimensions | 146.60 x 86.60 mm |
| Height     | 146.60 mm         |
| Width      | 86.60 mm          |
| Depth      | 32 mm             |

**Connection**

|                          |   |
|--------------------------|---|
| Number of conduit inlets | 1 |
|--------------------------|---|

**Compatibility**

|               |    |
|---------------|----|
| Can be joined | No |
|---------------|----|

**Materials**

|                |                   |
|----------------|-------------------|
| Material       | Urea formaldehyde |
| Colour         | White             |
| Surface finish | Glossy            |

**Safety**

|                               |      |
|-------------------------------|------|
| Ingress Protection (IP) class | IP20 |
|-------------------------------|------|

**Sustainability**

|                 |     |
|-----------------|-----|
| REACH-SVHC free | Yes |
| RoHS conform    | Yes |
