

WFGP3BS

Grid Front Plate 1 X 3 Brushed Steel

Technical Features

Capacity

|                 |   |
|-----------------|---|
| Number of gangs | 3 |
|-----------------|---|

Materials

|                |                 |
|----------------|-----------------|
| Colour         | Stainless steel |
| Surface finish | Matt            |
| Material       | Stainless steel |
| Treatment      | Brushed         |

Dimensions

|        |         |
|--------|---------|
| Height | 86 mm   |
| Width  | 146 mm  |
| Depth  | 1.50 mm |

Accessories

|                     |    |
|---------------------|----|
| Has labelling field | No |
|---------------------|----|

Installation, mounting

|                               |            |
|-------------------------------|------------|
| Mounting-/Connection Position | Horizontal |
|-------------------------------|------------|

Safety

|                               |      |
|-------------------------------|------|
| Ingress Protection (IP) class | IP20 |
|-------------------------------|------|

Sustainability

|                 |     |
|-----------------|-----|
| Halogen free    | Yes |
| REACH-SVHC free | Yes |
| RoHS conform    | Yes |
