

2 Gang Dimmer Switch 250W Brushed Steel

Technical Characteristics

| | |
|-------------------|--|
| Frequency | 45/65 Hz |
| Operating voltage | 240 V AC |
| Material | |
| Type of load | |
| Component | with 2 fixing screws M3.5 x 30 mm |
| Dimming principle | phase cut-on or cut-off per series according to load type, self-learning |
