

Ventas I

PIR Sensor for Ventas I floodlight

Kosnic's Ventas LED floodlights have the option to include an easily installed PIR sensor, remote control PIR sensor or a Dusk to Dawn sensor. The 30W and 50W versions come with a switchable colour temperature (3000K/6500K). The high-quality aluminium floodlights make ideal replacements for energy-hungry halogen lighting and are suitable for outdoor use offering high lumen efficiency and a long life.
