OPERATIONAL SPEED CHART

Diameter Size mm	Softwood RPM	Hardwood RPM
6 - 13	2000	1500
14 - 25	1750	1500
26 - 38	1500	1000

USER INSTRUCTIONS

This product is not impact rated and we do not advise using in impact drivers. The quick-change extension and SDS Plus adaptor we recommend to be used with this product are themselves impact rated and can be used with any of our Twister impact rated products. However, if using with Flat Wood Bits we advise against using in an impact driver and instead use in an alternative 3 jaw chuck machine on rotary only.

Use in power tools with a 3 jaw chuck when used with relevant adaptor

Use in a portable drilling machine

Use in a fixed drilling machine

1/4" shank
This product is not impact rated

When used with relevant adaptor
