

FLEXROD

Term Tech Flexible Cable Pulling Rod 10
Joinable 4mm x 1m GRP Rods with
Accessories

The Termination Technology range of Flexible cable pulling rods are perfect for installing cable into awkward areas such as cavity walls, under floors and over ceilings. The 10 meters of rod permit users to install cable over long distances with ease. Made from Yellow GRP (Glass Reinforced Plastic) making them strong, extremely light and highly versatile. Additional accessories include a Mini Eye, Mini Hook and Flexi Lead (130mm x 4mm).
