Plug Top 13A Black

Technical Specification

|                     |                          |
|---------------------|--------------------------|
| Product Code        | PT13BN                   |
| Feature 1           | Solid brass pins         |
| Feature 2           | Screw down cable clamp   |
| Feature 3           | Tough nylon construction |
| Feature 4           | 1 Year Guarantee         |
| Approval body       | BSI                      |
| Barcode             | 5012739643361            |
| Colour              | Black                    |
| Company DUNS Number | 216156018                |
| Country of Origin   | China                    |
| Current (I)         | 13                       |
| Finish body         | Mat                      |
| Frequency (Hz) max  | 60                       |

|                                   |                     |
|-----------------------------------|---------------------|
| Frequency (Hz) min                | 50                  |
| Greenbrook Guarantee (Years)      | 1                   |
| HS Code                           | 8536699099          |
| Ingress Protection (IP)           | 20                  |
| Installation method               | Plug ready to wire  |
| Materials Main Body               | Nylon               |
| Min Order Qty                     | 20                  |
| Operating Temperature Range max C | 70                  |
| Operating Temperature Range min C | -5                  |
| Package Product Max. Length (mm)  | 243                 |
| Package Product Max. Height (mm)  | 65                  |
| Package Product Max. Width (mm)   | 100                 |
| Package Product Weight gross (g)  | 940                 |
| Product Weight net (g)            | 44.5                |
| Sales Pack Qty                    | 20                  |
| Standards                         | Conforms to BS 1363 |
| StatusCode                        | Active              |
| Voltage (VAC) MAX (V)             | 240                 |
| Voltage (VAC) Min (V)             | 220                 |
| Voltage (VAC) Rated (V)           | 230                 |
| Wattage (W)                       | 3000                |
