20W	3200lm		
25W	3900lm		
30W	4600lm		
34W	5200lm		

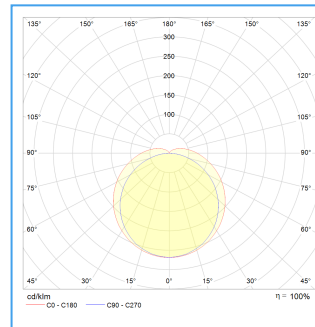

KEY FEATURES

Perfect for new installations and like-for-like replacements, this batten allows the client to choose the light level that they require during the installation process. This exciting development means that the Solray Select is equivalent to both Single and Twin T5 Fluorescent Tubes with lumen range of 3200-5200 lumens. The flicker free operation, BESA mounting and M20 cable entry allow the unit to easily replace older fluorescent models.

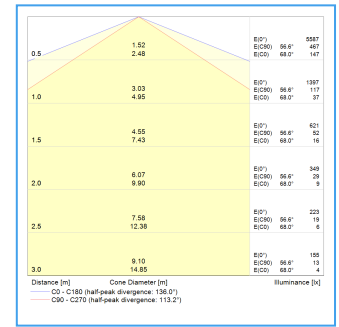

COMMERCIAL APPLICATIONS

Offices, schools, corridors, medical centres
