28W	4500lm		
35W	5500lm		
42W	6500lm		
48W	7200lm		

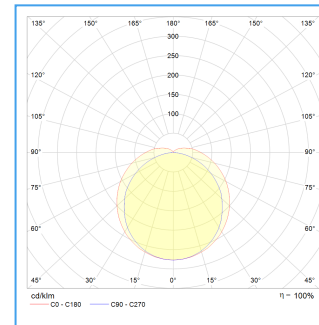

KEY FEATURES

Perfect for new installations and like-for-like replacements, this batten allows the client to choose the light level that they require during the installation process. This exciting development means that the Solray Select is equivalent to both Single and Twin T5 Fluorescent Tubes with lumen range of 4500-7200 lumens. The flicker free operation, BESA mounting and M20 cable entry allow the unit to easily replace older fluorescent models.

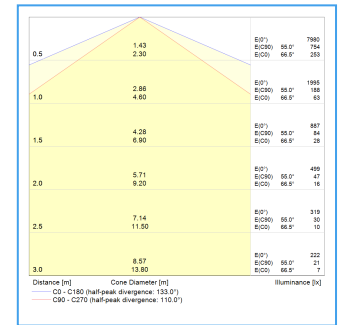

COMMERCIAL APPLICATIONS

Offices, schools, corridors, medical centres
