

Barracuda Select 5ft High Output 29-52W 3CCT Self-Test Emergency and Microwave Sensor

EL5HBNC3FM

KEY FEATURES

The 5ft Barracuda features four selectable power and three colour option outputs at the point of installation via a switch on the driver. The product is lightweight and incredibly robust with stainless steel clips supplied. This product can be fitted in a wide range of industrial and commercial applications and it's IP66 and IK08 ratings will ensure that it works in extreme environments.

Fitted with Self Test Emergency as standard (300LM) and Microwave ON/OFF presence detection.

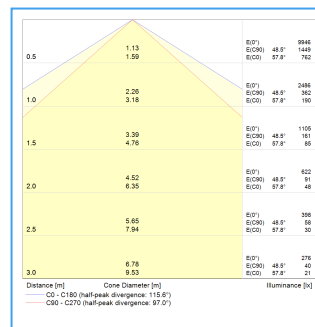

COMMERCIAL APPLICATIONS

Public areas, workshops, warehouses, car parks, food preparation areas, spray paint inspection areas and dairy and general farming
