ROHS (lead-free)	✓

## AIR CONTROL REMOTE CONTROL

### WALL BRACKET

The AIR Control remote control comes with a transparent wall-mounted support cradle with a modern and elegant design, which looks good both in the home or workplace.

This allows the remote control to be stored always in the same place, avoiding loss or accidental damage though dropping, spillage, etc.

Program your Rointe radiators, towel rails and water heaters and replace the remote in its cradle, so it is always to hand, and ready for use.
