

### Olympic Wafer Head Self Drillers

#### Product Features

- Multi use, steel to steel self-drilling and self-threading screw
- Low profile wafer head with cross recess
- Will drill through material up to 3mm thick
- Bright zinc plated
- Drills and fixes in one operation
- Ideal for securing thin metal sheets together e.g. cable trunking, cable tray & surface mounted boxes
- Head design prevents snagging on cables and prevents component distortion
- Large flat under head area reduces the need for a washer
