

Main

Range of product	Thorsman
Product or component type	Connection box

Complementary

Device presentation	Empty
Device application	Conduit installation
Product specific application	Electrical distribution feeder Telecom
Maximum capacities	2 A 8P with cord grip 2 A 10P without cord grip 5 A 6P with cord grip 5 A 8P without cord grip 15 A 4P with cord grip 15 A 4P without cord grip 30 A 3P with cord grip 30 A 3P without cord grip
Resistance to incandescent wire	850 °C conforming to BS EN 60598-1
Colour	Natural
Width	40 mm internal: 50 mm external:
Length	Internal: 85 mm External: 90 mm
Height	30 mm
Quantity per set	Set of 200

Offer Sustainability

EU RoHS Directive	Pro-active compliance (Product out of EU RoHS legal scope) EU RoHS Declaration
Environmental Disclosure	Product Environmental Profile

Contractual warranty

Warranty	18 months
