

KRN199

Neutral connecting block 125A

Technical Features

Dimensions

Height	83 mm
Width	17.50 mm
Depth	60 mm

Connection

Cross-section rigid conductor	6 - 50 mm ²
-------------------------------	------------------------

Installation, mounting

Nominal tightening torque	3.60 - 3.60 Nm
---------------------------	----------------

Electric current

Rated current	125 A
---------------	-------

Architecture

Number of poles	1
-----------------	---

Sustainability

Halogen free	Yes
REACH-SVHC free	Yes
RoHS conform	Yes
