

CAREERS AT YESSS

With over 50 years' experience in the electrical wholesale industry, we are an energetic organisation that is part of a very successful European business. With a network of over 400 trading branches across continental Europe, and over 95 branches currently open in the UK, there has never been a better time to get on board.

Branch Manager

Essential

- Hardworking and ambitious
- The ability to sell products and services effectively
- Determination to succeed and a thirst for meeting targets
- The ability to lead, support and motivate people
- Excellent communication and customer care skills (face-to-face and via the telephone)
- The ability to build and sustain professional relationships
- The ability to independently plan, organise and work to tight deadlines
- A smart and presentable appearance
- A great team player

Desirable

- A proven track record working in a fast-paced environment
- Sound knowledge of the local infrastructure
- Industry-specific sales experience is desirable, but this isn't essential
- A valid UK driving licence

The Role of a Branch Manager:

- Growing and increasing sales in the branch's geographical area
- Continually identifying and developing new and existing business accounts
- Working to build, support and motivate a tightly-knit team to achieve high standards of business excellence
- To be successful in the role, you MUST be a self-starter and MUST be able to lead and inspire others
